320 Hospital Drive, Martinsville, Virginia 24112 | **276.666.7200**

*2017 was a pivotal year as Danville Regional Medical Center and Memorial Hospital of Martinsville & Henry County joined forces to form Sovah Health – a regional healthcare system with two campuses. We are proud to be making our communities healthier each and every day, building upon our legacies and strengthening the delivery of high quality healthcare in our region for generations to come.*

—Michael Ehrat, CEO  
Sovah Health – Martinsville

**Sovah Health – Martinsville’s** mission is Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for our neighbors today and for generations to come. Here are just a few ways we made the communities of Martinsville, Henry County and the surrounding areas healthier in 2017.

**Delivering high quality patient care and supporting our physicians**

The most important contribution we make to our community is providing high quality care close to home. Quality and service are at the center of how we care for our patients, and we continually invest in our facility to ensure we can meet the healthcare needs of our community. In 2017, we made **\$4,292,916 in capital improvements**, including an expansion of our Cancer Center and new MRI and CT scanner machines.

Inviting the best physicians into our community and supporting them also is a key driver of our efforts to ensure access to high quality care and service. During the past year, Sovah Health – Martinsville added **nine new providers** in general surgery; orthopedics; and internal, hospital, pediatric and pulmonary medicines.

**Creating excellent workplaces for our employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our **783 employees** can effectively use their skills in providing high quality care and service; and we managed and distributed an **annual payroll of \$51,458,229**.

**Taking a leadership role in the community**

We are proud to be a leader in our region. Supporting local organizations and delivering healthcare to all of our neighbors, regardless of their ability to pay, are foundational to our commitment to the overall well-being of our community. In addition to numerous sponsorships and charitable gifts, we delivered more than **\$6.43 million in charity care to those in need**.

**Being fiscally responsible**

Our commitment to ensuring fiscal responsibility extends both to our hospital and to the community. In 2017, we paid a total of **\$1,595,728 in taxes**.

**Thank you for your continued support as we continue to make our community healthier in 2018 and beyond.**
